Privileged/deliberative

Hi Paul and Elyana –

Just fyi, I just finished reviewing the latest version of the technical comment letter and will send you what we have so far.

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

Attached is the draft cover letter, which I haven't reviewed yet, but will do so later today or tomorrow morning.

There is a briefing with Stan Meiburg next week – no legal offices are on the invite. I have a message in to OGC Pooja/Carrie to give them a heads up in case they want to notify someone from their front office.
